

Mister Leighton,  
Good things sometimes come to good people! You have to listen to this today! Wait till the time is right, then put it on. You will probably want to listen to it TWICE!!!! AT LEAST!!! So, allow yourself some time. You've been waiting a very, very long time for this to appear. Listen tonight! Do not delay! I assure you, you will be VERY GLAD you did.

A Friend

ps: it's on both sides of the tape
